Curvy Words

Oh, no! The letters from 12 words have been curved and hidden in the puzzle.
 A curved word may start anywhere in the puzzle. It can then move in any direction.
 Once a word has used a square in the puzzle, that word may not re-use the same square. But another word is allowed to re-use squares from other words.

One word has already been found for you!

How many words can you find in 30 minutes? If you don't find all of the words in 30 minutes, then stop.
